

CAREER CONNECTION: TRAVEL NURSE

Marlana Colella is a registered nurse who enjoys traveling. Marlana began her nursing career in Rochester, NY, but packed her belongings and took her career on the road to Arizona, California, and Tennessee as a travel nurse. Meet Marlana in this career connection to learn about the requirements, expectations, pros and cons, and steps to take if you're considering becoming a travel nurse.

This session is most appropriate for middle and high school students. The session is only open to school districts that participate in their local BOCES/RIC Distance Learning Program.

For more information, contact your local BOCES/RIC Distance Learning Coordinator or contact Margaret Colella, eLearning Specialist, at Cayuga-Onondaga BOCES.

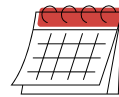

mcolella@cayboces.org or 315.255.7653

This FREE collaboration is brought to you by Cayuga-Onondaga BOCES and the New York State Distance Learning Consortium.
