### USDA Free Meal Program:

The Skaneateles Central School District is excited to announce that the USDA will temporarily fund free meals for all students, regardless of family income. The program will ensure that all children have access to food as the country recovers from the COVID-19 pandemic. The free meals will be available beginning Tuesday 9/22/20 until 12/31/20, at which time Congress may extend the funding. Complete reimbursable meals include at least 3 meal components, one of which must be a fruit or vegetable. A la carte items will continue to be charged to student accounts. Meals are available for pick-up for students on their distance learning days. Sign up for "to-go" meals using the link below.
