11/24/2020

Dear Skaneateles family,

On behalf of the faculty, staff, administration, and Board of Education we wish all of you a safe and healthy Thanksgiving break. Thanks to the responsibility and vigilance of our school community we have managed to avoid the yellow or orange zone designations that come with additional complications and restrictions for both schools and our local businesses. I am so thankful that our community has been able to work together and preserve our ability to provide instruction the way we have since the start of school. On behalf of all of us immersed in this process, I want to express my sincere thanks for working to protect what we have built for the children of this community. As restrictions begin to subside we look forward to constantly improving upon the quality of education we provide and strive to create additional opportunities for in person instruction. This depends entirely on our ability to remain safe as a community.

Prior to the break we wanted to remind you of a few important upcoming dates:

December 1, at our next regularly scheduled Board of Education meeting, we will be presenting on our upcoming Capital Project 2023-2024. Please consult our [project page](#) on the district web site for a variety of informational documents and videos. If you have any specific questions you would like to see addressed, please email ryork@skanschools.org prior to December 1.

On December 8, our Capital Project vote will be held in the District Office from 7:00am -9:00pm. Absentee ballots are still available. Please reach out to Rebecca York to request one at ryork@skanschools.org

December 9 is a staff professional development day and there are no classes in session for grades K-12.

Happy Thanksgiving,

Eric Knuth
Superintendent of Schools
