12/1/2020

Dear Skaneateles family,

Today we learned of an additional four students who tested positive with COVID-19, one from Waterman Elementary School and three from our high school. Additionally, we have multiple high school staff members being placed into precautionary quarantine by our local County Health Departments. As of this moment we have plans in place to support those individuals in quarantine and all schools K-12 will remain open tomorrow.

With each new absence we get closer to a forced closure due to increased staffing constraints. In the event of a closure students will follow their schedules and classes will be live streamed each day.

On behalf of the faculty, staff, administration, and Board of Education our thoughts are with all of our Skaneateles family members who have been impacted by COVID-19.

Please stay safe and remain vigilant as we see this through.

Stronger together,

Eric Knuth  
Superintendent of Schools
