Dear Skaneateles family,

On behalf of the faculty, staff, administration, and Board of Education I am so pleased to share that our community came out in support of Capital Project 2023-2024 and our vote was successful today. We sincerely appreciate your commitment to offer the very best school environment possible for our students. With all that we have endured this year, this vote is indicative of your hope and commitment to the future of Skaneateles schools.

Please accept our sincere thanks and appreciation and we will continue to share information as plans become a reality throughout this project.
