February 12, 2021

Dear Skaneateles family,

This week we learned of two additional cases of COVID-19, one individual at Waterman and the other at State Street Elementary School. In all, 16 individuals have been placed into quarantine. As I shared in my previous letter, what happens with local infection rates following February Break will determine what we are able to provide to our students moving forward. We are on the cusp of restrictions beginning to lift throughout the region and I know that caution over the break will create opportunities for our children. As a resource for our families, the updated COVID-19 toolkit is included here. [COVID toolkit](#)

In the coming weeks we will continue our partnership with the Onondaga County Health Department on our rigorous community wide testing program. On February 10, we conducted approximately 160 tests with only 2 positive results.

Following February break we will provide 3 additional community wide testing opportunities:

- Wednesday 02/24/21 9:00-3:00
- Wednesday 03/03/21 TBD- In the process of securing afternoon/ evening hours.
- Wednesday 03/10/21 TBD- In the process of securing afternoon/ evening hours.

Note:

*Testing will occur at the Skaneateles District Offices, 45 East Elizabeth St. Skaneateles, NY 13152.

*All testing is for asymptomatic individuals only and is available to our entire community.

***Registration information will be provided as soon as we receive it from the County Health Department.**

On behalf of everyone in our school community, we wish you all a safe and enjoyable February Break.

Stronger together,

Eric Knuth
Superintendent of Schools
