Dear Skaneateles family,

In finalizing plans for the possibility of increased access to in-person instruction in grades 8-12, we need your help. Please complete the following survey by Sunday, February 28 to assist us in our efforts in getting all Skaneateles children access to full-time, in-person instruction.

\*Note: The survey is intended only for students and parents in grades 8-12.

\*The full-time instructional model already deployed in grades K-7 will remain unchanged.

Thank you for your continued collaboration.

Stronger together,

**Eric Knuth**  
Superintendent of Schools
