STEM Camps

STEM in a Baggie (Gr. 1-3)	Mon, 7/12 - Fri, 7/16 from 9:00 - 11:30 a.m. **or** Mon, 7/26 - Fri, 7/30 from 9:00 - 11:30 a.m.
Students entering grades 1 – 3 in the fall	Waterman Primary School

In this week long camp, students will have the opportunity to observe, make, build, and experiment with different items. Materials will be separated into individual baggies for each camper to limit sharing and ensure safety; but it will not limit the fun, exciting explorations and discoveries! There will be about 3 STEM activities per day addressing topics like centrifugal force, chemical reactions, magnetism, and more.

Both sessions of this camp are identical. Please sign-up for only one of them.

Teacher: Mary Fussner	Cost: $80

Zany, Brainy Engineering Contraptions (Gr. 1-3)	Mon, 7/19 - Fri, 7/23 from 9:00 - 11:30 a.m. **or** Mon, 8/2 - Fri, 8/6 from 9:00 - 11:30 a.m.
Students entering grades 1 – 3 in the fall	Waterman Primary School

In this week long camp, students will be given the opportunity to explore, build, test, and reimagine simple machines. We will use ramps, pulleys, and other simple machines to create chain reactions and tinker with force and motion. As a culminating activity, students will use their knowledge of these simple machines, their ingenuity, and their imaginations to create Rube Goldberg Machines.

Both sessions of this camp are identical. Please sign-up for only one of them.

Teacher: Mary Fussner	Cost: $80

Coding Camp (Gr. 3-6)	Mon, 7/12 - Fri, 7/16 from 9:00 - 11:30 a.m.
Students entering grades 3 – 6 in the fall	State Street Intermediate School

In this week long camp, students can spend time learning about coding. They will have the opportunity to write and follow code. We will begin the week using code.org *and move to using* Kodable*,* Bitsbox *and more! The time will allow students to explore and play with a variety of coding sites and apps.*

Teacher: Ellen Wolford	Cost: $80

To the Rescue: Engineering Aid Drop Packages (Gr. 4-6)	Mon, 8/2 - Fri, 8/6 from 9:00 - 11:30 a.m.
Students entering grades 4 – 6 in the fall	State Street Intermediate School

In this camp, students will engage in the Engineering Design Process *to help Jacob and India. While traveling in Thailand, they learn that monsoon rains can cause severe flooding that cuts people off from important supplies. Students will help Jacob and India engineer "aid drop packages" that can be dropped from an aircraft, protect what's inside, and are easy to find once they reach the ground.*

Teacher: Tami Rigling	Cost: $80

Arts & Humanities Camps

World Languages Summer Camp (Gr. 1-7)	Mon, 7/19 - Fri, 7/30 from 9:00 - 11:30 a.m.
Students entering grades 1 – 7 in the fall	State Street Intermediate School

Research shows that children have an innate ability to acquire multiple languages, and learning a new language provides a wide range of benefits*. This 2-week camp will include one week of immersion into Spanish and one week of immersion into Italian. Each day we will embark on a unique "journey" to a Spanish speaking country or a famous Italian city. Vocabulary and grammatical structures will be presented through a variety of fun, communicative activities, including: songs, rhymes, skits, stories, games, crafts, and hands on activities. Students will be led in guided practice and have numerous opportunities to practice the target language.*

Teachers: Kate Webster and Amy Tormey	Cost: $160

2D - 3D, Let's See! An Experimental Art Camp (Gr. 1 & 2)	Mon, 7/12 - Fri, 7/16 from 9:00 - 11:30 a.m.
Students entering grades 1 & 2 in the fall	Waterman Primary School

Explore 5 different techniques/mediums in 1 camp: sculpture, painting, crafts, computer art, and printmaking. Students will have the opportunity to experiment with each medium and go home with a completed project daily. These art camps are an excellent opportunity for your child to have time to truly explore and to collaborate and learn with friends!
