June 8, 2021

Dear Skaneateles family,

On Tuesday, June 15th from 8:00-10:00, we will be hosting our final (second dose) vaccination clinic of the 2020-2021 school year. Special thanks to our partners at the Cayuga County Department of Health and East Hill Medical for facilitating vaccinations for our school community. Over 700 students throughout the region, ages 12 and over, were vaccinated at the initial May 26 clinic.

- The upcoming June 15th event is only available for those students receiving a *second dose* Pfizer vaccine.
- Where: Skaneateles High School Gymnasium
- When: Tuesday, June 15, 2021 8:00 AM-10:00 AM
- If your child is to receive their second dose elsewhere, please contact East Hill Medical Center at 315-253-8477 ext. 407. This will allow us to ensure proper inventory for the upcoming second dose vaccination clinic. Please leave a message with your child's name and the name of our school district.

Thank you for your ongoing support and partnership. I am so proud of how our community responded to this pandemic as one Skaneateles family.

Stronger together,

Eric Knuth
Superintendent of Schools
