

As a member of the Skaneateles Community, we welcome you to join our Skaneateles Central Schools Community group on Parent Square. This group will be used to provide information that is of interest to our greater community. **If you already have a Parent Square account as a parent of a student in the district, you do not need to sign up for this group.** This is intended purely for those in our community who have an interest in what is happening in our schools. Topics of information that will be sent out include updates on things happening around campus, upcoming budget information, capital project updates, dates and times of upcoming events, and more.

Begin by clicking on this link.
