

Odyssey Is Back!

Please join us as we bring our Region 11 teams back to Cayuga-Onondaga BOCES.

The Region 11 Tournament will be held IN PERSON on March 5 at the Cayuga-Onondaga BOCES Campus.

Our tournament may be small this year, but our teams are very excited to return to competition. Just as we have learned to adjust many facets of our lives during a pandemic, adjustments have been made to our “traditional” tournament. The proposed tournament schedule has individual teams arrive on campus, present their long-term solution, go to Spontaneous and then leave campus. A virtual awards ceremony will be held later in the day.
