Dear Parent,

As an upcoming senior, there are many things your son/daughter will have to think about. One very important detail is the senior portrait for the yearbook. You will be contacted by many photographers regarding this issue. The purpose of this letter is to inform you of the specifications that need to be followed in order for your son/daughter's portrait to be published in our yearbook.

Your son or daughter must have a picture taken and a color digital delivered or e-mailed to the school by November 1st, 2024. Please pay close attention to this deadline! The pages containing the senior portraits go to the publishing company to meet the first deadline in November. The sooner we receive the portrait, the better.

If you are using one of the photographers listed below, the photographer will send us the picture; you don't have to have your child bring it in. If you are using another photographer, please inform them of our deadline and call me to tell me who you are using. Please supply me with a digital photo either e-mailed or on a CD to my attention by November 1st.

Digitals, in high resolution, should be e-mailed to amcconochy@skanschools.org The subject line MUST read: "Senior Yearbook Photo" (followed by the student's name). For example: "Senior Yearbook photo Max McConochy".

Specifications are:

- **Minimum 300 dpi**
- **high resolution digital JPEG**
- **color**
- **head and shoulders shot (if will be zoomed in to head and shoulders if it is not a head and shoulders image)**
