

Skaneateles Central School District

Summer Camp Catalog

Registration will open at 9:00 a.m. on Tuesday, April 19 at www.skanschools.org.

Registration will close and payments are due on Friday, June 24.

Requests for need-based financial assistance will be considered on an individual basis.

STEM Camps

STEM / Maker Camp (Gr. 1-3)	Mon, 7/18 - Fri, 7/22 from 9:00 - 11:30 a.m. or Mon, 7/25 - Fri, 7/29 from 9:00 - 11:30 a.m.
Students entering grades 1 – 3 in the fall	Waterman Primary School
<i>Students will have the opportunity to observe, make, build, and experiment. In addition to some fun science experiments, and engineering investigations, campers will be given the opportunity to use OSMOs, City Blocks, Magnetic Blocks and Tiles, Dash and Dot robots, marble runs, and more! Join us for fun, exciting explorations and discoveries!</i>	
<i>Both sessions of this camp are identical. Please sign-up for only one of them.</i>	
Teacher: Mary Fussner	Cost: \$90
Liftoff: Engineering Rockets and Rovers (Gr. 4-6)	Mon, 7/11 - Fri, 7/15 from 9:00 - 11:30 a.m.
Students entering grades 4 – 6 in the fall	State Street Intermediate School
<i>Jacob is at NASA's Jet Propulsion Laboratory learning how to engineer rovers that can be used to explore faraway worlds. Meanwhile India is learning about the trade-offs and variables involved in engineering a rocket as she blasts off to the International Space Station. In this camp, students will engage in the Engineering Design Process to engineer rockets and rovers to help India and Jacob explore several planets and moons in our solar system.</i>	
Teacher: Tami Rigling	Cost: \$90
Coding Camp (Gr. 1-3)	Mon, 7/11 - Fri, 7/15 from 9:00 - 11:30 a.m.
Students entering grades 1 – 3 in the fall	Waterman Primary School
<i>Students will code using sites and apps like Code.org, CodeMonkey, Tynker, and Kodable. Students will use Bitsbox to create their own apps that can be sent to and used on compatible devices. Interactive, programmable robots will be used to make computer science come alive!</i>	
Teacher: Chrissy Brown	Cost: \$90

Coding Camp (Gr. 4-6)	Mon, 8/1 - Fri, 8/5 from 9:00 - 11:30 a.m.
Students entering grades 4 – 6 in the fall	State Street Intermediate School
<i>Students will follow and write code using sites like Code.org, Scratch, Bitsbox, and more. We will do hands-on activities (off the computer) to explore coding concepts, like binary numbers. Interactive, programmable robots will be used to make computer science come alive!</i>	
Teacher: Ellen Wolford	Cost: \$90

Arts & Humanities Camps

2D - 3D, Let's See! An Experimental Art Camp (Gr. 1 – 3)	Mon, 8/1 - Fri, 8/5 from 9:00 - 11:30 a.m.
Students entering grades 1 – 3 in the fall	Waterman Primary School
<i>Explore 5 different techniques/mediums in 1 camp. Each day will focus on a different medium like crafts or painting. Students will have the opportunity to experiment and go home with a completed project each day. These camps are an excellent opportunity for students to explore, collaborate, and learn with friends!</i>	
Teacher: Mary Teixeira	Cost: \$90

2D - 3D, Let's See! An Experimental Art Camp (Gr. 4 – 6)	Mon, 7/25 - Fri, 7/29 from 9:00 - 11:30 a.m.
Students entering grades 4 – 6 in the fall	State Street Intermediate School
<i>Explore 5 different techniques/mediums in 1 camp. Each day will focus on a different medium like crafts or painting. Students will have the opportunity to experiment and go home with a completed project each day. These camps are an excellent opportunity for students to explore, collaborate, and learn with friends!</i>	
Teacher: Mary Teixeira	Cost: \$90

World Languages Summer Camp (Gr. 1-6)	Mon, 7/18 - Fri, 7/22 from 9:00 - 11:30 a.m.
Students entering grades 1 – 6 in the fall	State Street Intermediate School
<i>Research shows that children have an innate ability to acquire multiple languages, and learning a new language provides a wide range of benefits. During this camp, students will be immersed Spanish for one week. Each day we will embark on a unique “journey” to a Spanish speaking country. Vocabulary and grammatical structures will be presented through a variety of fun, communicative activities, including: songs, rhymes, skits, stories, games, crafts, and hands on activities. Students will be led in guided practice and have numerous opportunities to practice the target language.</i>	
Teachers: Kate Webster	Cost: \$90
